

NOTE FROM THE EDITORS

We are pleased to present the first comprehensive index for *Vermont Law Review*. This index covers volumes 1 through 18 and is divided into three sections—an Author Index, a Title Index, and a Subject Index. The Author Index is arranged alphabetically by authors' last names (articles by multiple authors are listed under the name of the first listed author). The Title Index is divided into three subparts—leading articles; student notes; and comments, tributes, and reviews. The Subject Index is divided into seventy-seven subject headings.

The publication of this first index represents the dedicated work of many *Vermont Law Review* members. While it is impossible to recognize all those who contributed to this project, the editors want to give special recognition to the efforts of Kevin Moriarty, Brooke Dingledine, and Kevin Beswick. Without their help, this index would still be in the planning stages.

Having established the initial framework, *Vermont Law Review* will provide annual updates to this cumulative index.
